

KOSOBRLN

brunarica v Kranjski Gori
a charming cottage in Kranjska Gora

...da bi bili navihani kot Kekec, poskočni kot Brincelj, modri kot Kosobrin, pögumnejši od Rožleta, da bi spregledali kot Mojca in se zavedali, da je svet poln rožic tete Pehte...

Experience the cottage through famous Slovenian storybook characters and become playful and curious as Kekec, lively as Brincely, wise as Kosobrin, braver than Rožle, gain sight as Mojca and imagine the world is full of aunt Pehta's healing flowers.
